

The Kentucky Pioneer

“United we stand, divided we fall.”

Kentucky Society Sons of the American Revolution

Message from the KYSSAR President

Compatriots, I am pleased to announce that the Kentucky Society successfully petitioned the Historic Sites Committee to have the Battle of Blue Licks Memorial celebration recognized as a permanent National event. Thanks to the hard work of Rev. Forrest Chilton for his efforts to make this such a wonderful celebration. Make plans to attend the 2015 event. I have made arrangements with the State Park service for a block of 10 rooms for next year's event. If you are interested in staying at the lodge, let me know ASAP, I am sure they will go fast. The rate secured is \$98.96 plus a \$2.00 resort fee

On September 26th, the Center for Advancing America's Heritage held a ribbon cutting ceremony at the museum on Main Street in Louisville. It was a pleasure to be able to attend and see the vision of what will become a state-of-the-art interactive experience. The VPG of the Central District, Tony Robinson, made an impassioned speech on the floor of the Leadership Meeting. He challenged the membership in attendance to contribute \$25.00 for the next phase of the museum project. His position was that “the little guy” can also make a difference. If each member in the State met VPG Robinson's challenge, we are that much closer to seeing the vision of the museum come to fruition. Will you help make a difference?

We are just about 9 months away from the 2015 Congress to be held in Louisville. I hope as many of you can attend as is possible. We need to put our best effort into making this a successful Congress. Chuck Scott has worked long and hard to get us where we are currently, but he can't do it alone. He needs your help to finish the process.

I hope you are all working with your local schools to make this a banner year for our youth programs. If you have not, it is not too late to start. Tom Geimeier can answer any question you might have to start and/or enhance your program.

Our next State Meeting is in a few short weeks. There are more details in this newsletter. I hope you can attend. We will be holding a training session on several topics on Friday and the regular State Meeting on Saturday. We will be voting on the 2015 – 2016 Slate of Officers for the Kentucky Society.

As always, I thank each of you for the service you continue to provide throughout the Commonwealth. Each of you contributes to, and is a part of, the Kentucky Society. Together we can continue to do great things.

Fraternally, Douglas T. Collins

Pennyroyal Veteran's Center Visit

Crossroads Fellowship Compatriots have continued to lead the people of the church in collecting items for the Pennyroyal Veteran's Center. On Friday, September 5, Dennis Adams and Geoff Baggett delivered the items collected the previous month. This included 7 pairs of jeans, 3 t-shirts, 6 sets of briefs, and 42 pairs of socks. In addition, they delivered another \$210 that has been donated for the Sons of the American Revolution Scholarship Fund that has been established for center residents.

While visiting the center, they also recognized two veterans who are almost finished with the one-year program with the Veteran's Appreciation Medal and Certificate. One veteran, Stan Looney, of the United States Marine Corps, was absent because of a personal commitment. However, Dr. Adams had the honor of presenting the medal and certificate to United States Army veteran Todd Smith. Todd has been an excellent leader and an inspiration to all of the program participants.

9/11 Remembrance Event

Eight compatriots from the Col. Stephen Trigg Chapter attended the annual "In Honor and Remembrance" ceremony sponsored by the local chapter of Woodmen of the World. In addition to remembering the military and first responders who have sacrificed so much for us since September 11, 2001, the group also honored the lives of two special community servants who passed away during this past year.

Following the indoor remembrance, the group proceeded outdoors to rededicate the flagpole in front of the Trigg County Senior's Center and install a new flag for the coming year.

Col. Stephen Trigg Compatriots presented and saluted the chapter wreath in honor of the day of remembrance.

Members of the Colonel Stephen Trigg Chapter (L-R) are: Glenn Greenfield, Travis McCloud, Jerry Burlingame, President Geoff Baggett, Dilly Anderson, Steve Mallory, James Sumner and Randle Cruse.

Constitution Week at Trigg County Intermediate School

This week the Col. Stephen Trigg Chapter partnered with Principal Brian Futrell and the Trigg County Intermediate School to commemorate Constitution Week at the school. The entire fifth grade gathered to hear a presentation from author and speaker Eddie Price on Kentuckians in the War of 1812, which was the first Constitutionally-declared war in United States History.

Following Mr. Price’s informative presentation, chapter president Geoff Baggett presented Principal Brian Futrell with a framed parchment copy of the United States Constitution. Baggett then surprised Mr. Futrell with a very special gift. Because of his advocacy for and partnership with the Sons of the American Revolution, and his willingness to open his campus to our organization for special events and classroom presentations, our chapter elected to decorate him with the Bronze Good Citizenship Medal. President Baggett pinned the medal on Mr. Futrell to the deafening cheers and applause of his students.

But the culmination of the event was the presentation of the Pocket Constitutions. The chapter provided a \$200 Educational Grant to the school for the purchase of Pocket Constitutions for ever student, staff, and faculty member at the school. 550 people received their own personal copy of the United States Constitution and Declaration of Independence. Teachers and staff assisted our compatriots in distributing copies to the almost 200 students gathered for the assembly. Mr. Futrell distributed copies to the third and fourth grades through individual classrooms.

Painted Stone Settlers--School Day

Members of the Gov. Isaac Shelby Chapter assisted the Painted Stone Settlers with their annual school day event. Between 500 & 700 students attended this 18th century event. Director Colleen Wilson and Rae Ann Sauer from SAR's Center for Advancing America's Heritage joined in by instructing the students in the art of quilling. When the student finished with their work, the red, white and blue paper was glued on a picture of the Star Spangled Banner flag. This project was our way of celebrating the 200th anniversary of the writing of the poem that later became our National Anthem.

Letter from C.A.R. President

Dear Members of Kentucky SAR ,

My name is Jordan Hall and I am the 2014-2015 State President of the Kentucky Society Children of the American Revolution.

I chose *Honoring Our Forgotten Heroes* as the 2014-2015 state theme. We are quick to support our actively serving military and our veterans, but one group of active military is forgotten; the dogs that are actively serving. These dogs are considered to just be equipment, so their needs are not fully met.

These bomb-sniffing dogs save the lives of hundreds of our troops each year. These heroes need protection just as our troops do. They need dog goggles for their eyes to protect from the hot, blowing sand. They need cooling vests to cool their bodies from the desert heat. Special food, eye and ear drops, toys to relieve stress, special shampoo are just a few of the items needed.

The K.S.C.A.R. 2014-2015 state project is to raise funds to purchase needed equipment for dogs actively serving in Afghanistan and other Middle Eastern countries. I am working through a program of the Pewee Valley Veterinarian Center called "Joy to the Woof". This veterinary center is in Oldham County, KY. 100% of the K.S.C.A.R. donation will buy necessary supplies and provide for the packing and shipping to K9 units overseas.

We appreciate your on-going support of K.S.C.A.R. We are selling tickets for this afghan: \$1.00 each or 6 for \$5.00. The drawing for the afghan will be during the Saturday evening banquet of DAR state conference on March 29, 2015. I hope each SAR chapter in Kentucky will support the 2014-2015 K.S.C.A.R. state project.

Thank you.

Jordan Hall, President
Kentucky Society Children of the American Revolution

Help with the C.A.R. Project

The Kentucky Society Children of the American Revolution is selling voices for this lovely blue and white afghan. Proceeds will support the State Project which is raising funds for support of military dogs actively serving in Afghanistan and other Middle Eastern countries.

Voices are \$1.00 each or 6 for \$5.00. **Please send voices and money to: K.S.C.A.R. Senior State President, Sharlene Cooper, 9807 Spring Gate Drive, Louisville, KY 40241-6118.**

The drawing will take place on March 28, 2015, during the KSDAR banquet at State Conference. You do not need to be present to win.

Thank you for your support.
